Correction: John Zvesper's article in the October 1982 issue contained several misprints. Page 549, line 27, should read: "and pain-relieving political constructions; the defects of the condition"; page 555, line 32, should read: "with cynical exposés of their motives and accomplishments, or, as Socrates"; and page 557, line 14, "just a sugar coating) of idealistic liberalism if it is to be politically."

THE REVIEW OF POLITICS, without neglecting the analysis of institutions and techniques, is primarily interested in the philosophical and historical approach to political realities.

The articles in THE REVIEW OF POLITICS are indexed in the International Index to Periodicals and the Index of Catholic Periodicals and abstracted in the International Political Science Abstracts. They are abstracted and indexed in ABC POL. SCI. and HISTORICAL ABSTRACTS and Social Sciences Index.
