Editorial Note

THE EDITOR would like to express his appreciation to Professor J. K. Chambers for having served as interim editor during the academic year 1973–74. He, along with Aleks Steinbergs and Michael Dobrovolsky, managed not only to keep up with the ever-growing daily routine work on the journal but also to prepare volumes 19:2 (1974) and 20:1 and 2 (1975) for publication. Without their dedication to *CJL/RCL*, we could have easily found ourselves behind schedule once again.

The Editor, the Editorial Board, and the entire membership of the Canadian Linguistic Association are indebted to them.
