## Chinese Landscape Painting in the Sui and T'ang Dynasties

Michael Sullivan

Sullivan continues through the seven to tenth centuries his detailed study that began with *The Birth of Landscape Painting in China*. The present volume includes the first study in depth of the artist in T'ang society, and almost all the surviving material on the life and work of the Sui and T'ang landscape painters.

## Tales of Times Now Past

Sixty-Two Stories from a Medieval Japanese Collection

Translated, with an Introduction, by Marian Ury

A completely new translation of sixty-two representative tales from *Konjaku monogatari shu*, a Japanese anthology of the early twelfth century. The original work, a neglected classic of world literature, contains more than a thousand systematically arranged tales from India, China, and Japan. The stories in this translation have been chosen to provide an idea of the scope of the entire book and also for their appeal to the modern reader.

## Patients and Healers in the Context of Culture

An Exploration of the Borderland between  
Anthropology, Medicine, and Psychiatry

Arthur Kleinman

Drawn from field studies, primarily in Taiwan, *Patients and Healers in the Context of Culture* is a contribution to medical anthropology and cross-cultural psychiatry that inquires how clinical categories and processes are organized in society.

## The Last Phase of East Asian World Order

Korea, Japan, and the Chinese Empire, 1860-1882

Key-Hiuk Kim

Kim examines the process by which China, Japan, and Korea altered their traditional conduct of relations with one another in response to the intrusion of the Western powers in East Asia. His account questions numerous interpretations of the historical record that have enjoyed general acceptance.

# NEW TITLES IN HISTORY

## Japanese Religion in the Modern Century

by Shigeyoshi Murakami  
translated by H. Byron Earhart

An outspoken social critic and scholar examines the interaction of religion and society during the century since Japan's emergence as a modern nation-state. The momentous social and political changes which have taken place since the 1860s have been closely reflected in the practice of religion, in the birth of new religions, and in official policy and popular attitudes toward the main currents in Japanese religious tradition: Buddhism, Shintō, and Christianity. In its pointed discussion of the connection between religion and nationalism in Japan, this book makes a unique contribution to the literature on Japan's religious history.

## A History of Political Institutions in Japan

by Ryōsuke Ishii

An eminent legal historian outlines the history of Japanese governmental and legal institutions, from the clans of ancient times, through the creation of a unified state and centuries of military rule under a feudal system, to the constitutional monarchy and democracy of modern times. Valuable as an introduction to the subject and as a guide to a nation's legal development, this book presents a wealth of detailed information, particularly on the society and institutions of ancient times, as well as a panoramic view of Japan's legal history.

# SCHOLARS' GUIDE TO WASHINGTON, D.C. FOR EAST ASIAN STUDIES

By HONG N. KIM

The third of several fundamental research aids by the Woodrow Wilson International Center for Scholars, this *Guide* makes the general scholarly resources on China, Japan, Korea, and Mongolia in the nation's capital more accessible to East Asian specialists and interested laymen.

Part I surveys the holdings of Washington-area research **collections** (libraries; archives; art, film, music and map collections; and data banks). Part II discusses the pertinent activities of Washington-based **organizations** (U.S. government agencies, East Asian embassies, international organizations, private, professional and cultural associations, cultural exchange organizations, and research centers and academic programs of major local universities). Separate **appendixes** cover the East Asian press, East Asian ethnic media, churches and religious organizations, transportation and other facilities, and bookstores. **Indexes** include a name index, a subject index, an index to personal papers collections, and a library subject-strength index.

## FACTS & FIGURES ANNUAL

Edited by John L. Scherer

"For specialists who have been frustrated by the traditional dearth of concrete reference data on China, the publication is a must. . . . Invaluable to observers of the Chinese scene who are looking for a single reference work containing information gleaned from publications which if accumulated would fill an entire bookshelf."—*China Trade Report* (Far Eastern Economic Review)

"An impressive compendium of information on China. . . . The editor claims that the variety of information and of sources consulted far outruns those for any other handbook in English; this reviewer agrees. . . . Future editions are planned as companion volumes stressing new features, documents, and particular areas of life to be treated in greater detail than in this initial volume of basic information. . . . It belongs in all China collections. . . . All libraries."—*Choice*

"Scherer has been enterprising and thorough. . . . A most useful work for reference libraries."  
—*Contemporary China*

Vol. 1 (1978) 280 entries. \$32.50. Vol. 2 (1979) 257 entries. \$33.50. Published each summer. By subscription "Vol. 1 and following." *To obtain a complete set, order today.*

### *Of Related Interest*

Mikhail I. Sladkovsky, *China & Japan, Past and Present*. Edited and translated by Robert F. Price. Forum Asiatica/1 (1975) \$15. The importance of this book by the dean of Soviet specialists on East Asia is that it makes available in English the official Soviet views on the histories of China and Japan, and on the relations between them, down to the 1970s.

Women of South Asia: A Guide to Resources  
By Carol Sakala

Foreword by Maureen L. P. Patterson

A Project Prepared with the Cooperation of the Committee  
on the Status of Women in Asian Studies of the Association  
for Asian Studies

The study of South Asia and its people has grown steadily in recent years, but reference works in the field have not kept pace. **WOMEN OF SOUTH ASIA** is designed to fill the need for a bibliography of western language sources for the study of women in the area that is now India, Pakistan, Bangladesh, Sri Lanka and Nepal.

The book synthesizes a broad range of resources and covers all periods of recorded history. It contains 4600 entries listing published dissertations, articles, films, serials, pertinent materials in works not explicitly focusing on women and features detailed subject and author indexes. Introducing the bibliography are four reports by scholars in the field describing archival materials, library holdings and other information sources located in areas pertinent to study of the subject.

## The Journey to the West

Volume 1

Translated and Edited by Anthony C. Yu

“Anthony Yu must be congratulated for the tremendous job he has done in ing a translation at once lively and highly readable.”—John C. Y. Wang, *Journal of Asian Studies*

This fantastic tale recounts the sixteen-year pilgrimage of the monk Hsuan-tsang (596–664), one of China’s most illustrious religious heroes, who journeyed to India with four animal disciples in quest of Buddhist scriptures. For nearly a thousand years, his exploits were celebrated and embellished in various accounts, culminating in the hundred-chapter *Journey to the West*, which combines religious allegory with romance, fantasy, humor, and satire.

## Japan

The Intellectual Foundations of Modern  
Modern Japanese Politics

Tetsuo Najita

“Najita has presented a provocative and important analysis of modern Japan through an investigation and outlining of major intellectual tendencies from the Tokugawa period to the present. It is both a fine textbook and an important piece of thinking.”—Irwin Scheiner, University of California, Berkeley

Najita elucidates the political dynamics of the past two hundred years of Japanese history by focusing on the interplay of idealism and bureaucratism within the context of Japan’s modern revolution, the Meiji Revolution.
