The Australian Supplements to *The Journal of Laryngology & Otology*

Introduction

Content in the following section, and as listed below, was previously published in regular issues of *The Journal of Laryngology & Otology*.

As such, all content and associated bibliographic data (Volume and Issue numbers, page ranges, DOIs, and publication dates) remain unchanged in both print and electronic formats.

All citations should be to the original Volume and Issue of publication (see below list and individual paper details), and not to this Supplement.
