**REPORT OF THE COMMITTEE FOR THE PREPARATION OF A
GOVERNMENT CORPORATIONS BILL (1971) IL15.00/\$6.00**

This project was carried out in Israel for the Government Corporations Committee (appointed by the Ministers of Finance and Justice), under the chairmanship of Professor Aharon Barak, as a basis for legislation on Government corporations.

In Israel, a large number of Government Corporations pervade many areas of economic activity. The purpose of the new law is to ensure the implementation of Government policy through these Corporations without prejudicing their economic utility.

Price indicated includes delivery by surface mail. Orders, with payment enclosed, should be addressed to:
