

Calculation of full-pattern neutron time-of-flight (TOF) powder diffraction patterns - CORRIGENDUM

J. Faber

doi: <https://doi.org/10.1017/S0885715617000914>, Published by Cambridge University Press, 31 August 2017

In Faber (2017), a key word was published incorrectly, appearing as “neuron”.

The key word should appear as “neutron”.

Additionally, the chemical formula for NAC is incorrect in the abstract. The correct formula is $\text{Na}_2\text{Ca}_3\text{Al}_2\text{F}_{14}$.

The author apologizes for the errors.
