Listed here are the forum executive committees for the 2018 convention year (9 Jan. 2017–7 Jan. 2018). The dates after the names of executive committee members designate the conventions that conclude the final convention years of their terms. (A convention year begins after the close of one convention and continues through the close of the next; it is named for the convention that concludes the year.) These listings indicate which committee members are currently serving as chair and secretary. Normally, this year's secretary becomes next year's chair.
