POSEIDON, the Greek Neptune, was the chief god of the fishermen, who made him offerings of fish on a safe return from a voyage. They believed that when he was angry and struck the sea with his trident, the waves rose in great violence.

'KEPLER' SOLUTION

IT IS ACKNOWLEDGED AS A CLINICAL FACT THAT THE DIGESTIBILITY OF COD LIVER OIL IS VASTLY ENHANCED WHEN IT IS ADMINISTERED IN MOLECULAR ASSOCIATION WITH 'KEPLER' MALT EXTRACT, AS IN THE CASE OF 'KEPLER' SOLUTION

"The taste of the oil is agreeably disguised its nutritive qualities are greatly increased, and it is rendered easy of digestion!" —
