*Director*

Chairmen

Lloyd Richards, *Acting*  
 Jean Erdman, *Dance*

Robert Rabinowitz, *Design*  
 Mel Shapiro, *Directing*

The Theatre Program provides professional instruction for a selected group of participants who will be assigned to classes according to their individual abilities and needs. Special sequences of study and production experience will be offered in acting, dance theatre, design, technical production, theatre administration, playwriting and directing. Courses in play analysis and theatre history, in languages, and in the humanities and social sciences will be directly related to progress in theatre work.

*Fountainwell Drama Texts*

*General Editors:*

T. A. Dunn, Andrew J. Gurr,  
John Horden, A. Norman Jeffares, R. L. C. Lorimer

Each volume in the Fountainwell series contains a text based on fresh critical study of the original sources, together with an introduction, textual notes, commentary, and glossary. The original spelling and punctuation are normalized but not modernized. Theatrical directors, actors, scholars, teachers, students, playgoers, and general readers who wish to have trustworthy texts of English plays will find the series invaluable.

**Gesamtkunstwerk!**

The expression "total theatre" or "theatre of the future" appears to be derived from Richard Wagner's concept of Gesamtkunstwerk—a "collected," "united," or "total artwork." This total theatre comprises an effective intersection of all the arts: music, movement, voice, scenery, lighting, etc. This unique anthology of twenty-two pieces introduces the underlying principles and techniques that will contribute to the creation of the theatre of the future. Total Theatre is a must for students, practitioners and enthusiasts of the modern theatre.

Partial listing of contributors:

Edward Gordon Craig	Margret Dietrich
Charles R. Lyons	Sergei Eisenstein
Walter Kerr	Richard Wagner
Joseph Cary	Jean-Louis Barrault
William Kuhlke	Michael Kirby

## THE FILMS OF ORSON WELLES

Charles Higham

Despite the intensely personal flamboyance of his films, Orson Welles remains one of the most mysterious of directors. His interviews are filled with puzzling contradictions—and sometimes put-ons of gullible interviewers. His public image is diffused by his frequent appearances in grotesque roles in other men's films—often undertaken to pay the costs of the films he directs. To unravel the mysteries in Welles's career, Charles Higham has carried out a *Citizen Kane*-style investigation on Welles himself, talking to all of his major collaborators and patiently tracing hitherto shadowy aspects of Welles's work. He gives a detailed account of *Too Much Johnson*—Welles's first film. He tells the story of Welles's vexed, never-completed Latin American epic, *It's All True*, of which he has inspected the sole remaining footage. He discusses an unknown TV film, *The Fountain of Youth*. A chapter is devoted to each Welles film, giving the circumstances of its production and analyzing its dramatic structure and stylistic strategies. Behind Welles's bold deployment of deep focus photography and supple sound montage Higham finds a persistent concern with themes of time and loss. The book is lavishly illustrated, and many of its illustrations have never been published; they include revelatory production stills, shots from the unknown films, and copious stills from all of Welles's films.

1970 LC: 72-92677 240 pages 180 illustrations large format \$10.95

## SAMUEL BECKETT: HIS WORKS AND HIS CRITICS

*An Essay in Bibliography, 1929-1966*

Raymond Federman and John Fletcher

The published and unpublished works of Samuel Beckett are here, for the first time, listed chronologically and by language of composition (English or French). The second half of the volume surveys the works of Beckett's critics, ranging from complete books through articles and reviews to notes and allusions. Whenever possible, the authors give summaries of this criticism and append their comments. An appendix provides the first ten drafts of *Bing*, Beckett's recently published prose work, followed by his own English translation, *Ping*.

1970 LC: 68-23782 400 pages \$15.00

## THE MALICE OF EMPIRE

Yao Hsin-nung

*Translated and with an introduction by Jeremy Ingalls*

*The Malice of Empire* presents a dramatic episode in Chinese palace politics during the last years of the nineteenth century. The play centers on the malicious persecution of the young Emperor by the Manchu Empress Dowager as she attempts to retain control of the Empire. Based on historical events, the play analyzes the psychology of tyranny and indicts despotism. First performed in Shanghai in 1941, it was proscribed in 1942 by Japanese occupation order and in 1949 by Mao Tse-tung. In 1967 support for the play in any form became an "act of treason" in mainland China.

1970 LC: 69-19942 250 pages \$6.00

## When New York City Center Renovated

A busy theatre like New York's 2,700-seat City Center needs all the flexibility it can get. The house plays a ballet season, an opera company, a series of musicals and a wide variety of other attractions.

The resistance dimming system in the theatre required six men to operate and was cumbersome and imprecise.

Kliegl Brothers installed a new system this past summer which gave the City Center 100 control channels (operated through its own modern console) a ten-scene pre-set and a remarkable matrix panel that gave the lighting designers use of 162 dimmers.

Kliegl's system requires only two or three operators for maximum use . . . a substantial saving in direct labor cost. It occupies 40% less space than the old system did.

The system is based around Kliegl's famous "SCR Dimmer<sup>®</sup>", which has built-in automatic current sensing, is insensitive to load variations and does not generate the electrical or RFI noise often associated with SCR units.

*Kliegl Brothers is preparing a booklet describing the City Center renovation more fully than is possible in this space. Please write or call Kliegl Brothers (Att: Dr. Joel Rubin, Vice-Pres.) for your free advance copy.*

## **NEW FROM YALE**

### **THE ACTION OF ENGLISH COMEDY**

Studies in the Encounter of Abstraction and Experience from Shakespeare to Shaw.

by A. N. Kaul

Concentrating on a selected group of plays and novels from widely separated periods of English literature, Mr. Kaul investigates the conflict and resolution characteristic of a particular kind of comedy and describes the values it enforces. His examination of the comic problems presented by abstract cultural ideals which have survived their own time and conflict with the harsh realities of practical living offers important insights into the artistic concerns of Shakespeare, the Restoration dramatists, Sheridan, Fielding, Jane Austen, Henry James, and Shaw. **\$8.75**

### **THE COMPLETE MASQUES**

by Ben Jonson

edited by Stephen Orgel

The Renaissance court masque, traditionally an entertainment of music, dancing, pageantry, and spectacular scenic effects, was transformed by Ben Jonson into a serious mode of literary expression. This modernized version of Jonson's masques is the most carefully edited and annotated text available; it is also the first one-volume edition to be published. **\$12.50**

### **THE DRAMATIC WORKS OF GEORGE PEELE**

*The Araynement of Paris* edited by R. Mark Benbow

*David and Bathsabe* edited by Elmer M. Blistein

*The Old Wives Tale* edited by Frank S. Hook

Completing the Yale Edition of the Life and Works of George Peele, this volume presents the dramatic works of this gifted Elizabethan innovator together with full annotations and detailed introductions. *The Araynement of Paris* represents the first occurrence of classical mythology in the English theatre; *David and Bethsabe* ranks with the finest biblical plays of the time; and Peele's masterpiece, *The Old Wives Tale*, is an excellent example of pastoral drama. Edited according to the best modern principles of textual establishment, these works offer vivid evidence of pre-Shakespearean taste in drama. **\$17.50**

### **THE INTELLECTUAL DESIGN OF JOHN DRYDEN'S HEROIC PLAYS**

by Anne T. Barbeau

This closely argued investigation shows that Dryden's heroic dramas, which have often seemed peculiarly elusive, are in fact informed by a clear and well-defined scheme of values. Miss Barbeau demonstrates that Dryden's moderate viewpoint differs crucially from those of Hobbes and Filmer, with whom he has frequently been compared. She pays particular attention to the complex intellectual impact of his telling dramatic perspectives on power struggles in high governmental circles afflicted by inner decay and dissension. Hence Dryden emerges not an inadequate imitator of classical and Renaissance models, but rather a dramatist of ideas as skillful as Shaw. **\$8.50**

In the mainstream of international thought and activity, CONCERNED THEATRE JAPAN presents a fresh perspective on the challenges facing all of us as it examines the achievements and potential of the

# theatre

CONCERNED THEATRE JAPAN deals with the theatre as an intellectual workshop. Whether it be seventeenth century Kabuki or twentieth century farce, the deep, resonant chants of Noh or the rock-and roll of a contemporary musical, CONCERNED THEATRE JAPAN seeks to make available to an international audience the living breathing theatre of

# japan

In CONCERNED THEATRE JAPAN as nowhere else, the heirs to Japan's long history and rich cultural tradition address themselves to the problems of theatre and society in the second half of this century.

Yeats, Barrault, Brook, Brecht, and Artaud have been deeply influenced by Asian theatre. The Living Theatre and Grotowski have stunningly used Japanese techniques on the Western stage. Now for the first time, CONCERNED THEATRE JAPAN presents the work of Japan's playwrights, scholars, critics, and artists in an English-language quarterly magazine.

In the current issue--an interview with one of Kabuki's most dynamic young actors, a search through classical Japanese literature for an alternative to the tragic vision, an inquiry into the implications of Anatoly Kuznetsov's defection to Britain, Sato Makoto's brilliant new play NEZUMI KOZO: THE RAT, a report on Kara Juro's mobile theatre experiments, reviews, photographs, and much more!

\* interested in translations from Spanish drama, but \*  
\* hitherto defeated by nearly all of those available, \*  
\* will discover this one with relief and admiration." - \*  
\* Library Journal. \* \$3.85 \*

\* CORSETS AND CRINOLINES \*  
\* by Norah Waugh \*  
\* By the author of The Cut of Men's Clothes and The Cut \*  
\* of Women's Clothes, this first book by Miss Waugh, \*  
\* now reissued, is a fascinating study of the devices \*  
\* with which women narrowed their waists in various \*  
\* periods, and the ways they added to the fullness of \*  
\* their skirts. Illustrated with photographs, drawings, \*  
\* patterns and contemporary descriptions. 8 3/4 x \*  
\* 11 3/4 inches. Hardbound, \$11.95; Paperbound, \$4.95 \*  
\* \* \*

\* TEXTILES: PROPERTIES AND BEHAVIOUR \*  
\* by Edward Miller \*  
\* "The table of contents logically categorizes the \*  
\* information under the major headings of natural fibers, \*  
\* man-made fibers, fabric structures, finishing processes, \*  
\* color applications, basic fibers, and fabric uses. The \*  
\* introduction defines basic terms and fabric structures \*  
\* and weaves. Each chapter explains its subject in non- \*  
\* technical language; yet each contains enough scientific \*  
\* information to help the reader become an intelligent \*  
\* buyer of fabrics. Illustrations are well done, and an \*  
\* excellent chart gives comparative properties of both \*  
\* natural and man-made fibers." - Library Journal. \*  
\* "Highly informative." - Handweaver & Craftsman. \*  
\* Second Printing. \* \$6.95 \*

# DocuDrama<sup>®</sup>

A new way for professional and amateur actors to entertain. No scenery, minimum rehearsals. Cast 5, expandable. Any playing area is adequate.

A different way to make theatre magic, to amuse, inform, provoke discussion, to raise funds. Also excellent for schools. Over 1,000 performances have demonstrated the DocuDrama effectiveness.

We maintain service to help acting groups get dates.

For sample script with full directions and list titles, send \$1.75 to

## ON THRONES OF GOLD

Three Javanese Shadow Plays  
James R. Brandon

One of the world's most ancient, complex, and refined theatrical forms — *wajang kulit* — is introduced for the first time in English translation. The shadow dramas are presented complete with descriptions of the stories, the puppets, techniques, equipment, music used in their performance, and the historic and theatrical traditions within which they evolved.

The plays are illustrated with 143 photographs, 11 of them in color, showing each scene from both behind and in front of the puppeteers' screen.

The Clown  
as Grimaldi  
transformed him...

## HARLEQUIN IN HIS ELEMENT

The English Pantomime, 1806-1836

By David Mayer III

The genius of the great English Clown Grimaldi created a world that was to dominate English pantomime for decades. Brilliantly conveying the flavor of pantomime, Mr. Mayer recreates the splendid spectacles of comedy and satire, of thwarted lovers, Harlequin, Columbine and Pantaloon — all spiritedly dominated by a witty, biting Clown who exposes the follies of the time. The book is wonderfully enhanced by music, libretti, manuscripts and 81 old reproductions.
