Book Reviews	115

## EDITORIAL POLICY

*ASTIN Bulletin* started in 1958 as a journal providing an outlet for actuarial studies in non-life insurance. Since then a well-established non-life methodology has resulted, which is also applicable to other fields of insurance. For that reason *ASTIN Bulletin* will publish papers written from any quantitative point of view—whether actuarial, econometric, engineering, mathematical, statistical, etc.—attacking theoretical and applied problems in any field faced with elements of insurance and risk.

*ASTIN Bulletin* appears twice a year, each issue consisting of about 80 pages.

Details concerning submission of manuscripts are given on the inside back cover.

## MEMBERSHIP

ASTIN is a section of the International Actuarial Association (IAA). Membership is open automatically to all IAA members and under certain conditions to non-members also. Applications for membership can be made through the National Correspondent or, in the case of countries not represented by a national correspondent, through a member of the Committee of ASTIN.

Members receive *ASTIN Bulletin* free of charge.

## SUBSCRIPTION AND BACK ISSUES

*ASTIN Bulletin* is published for ASTIN by Tieto Ltd, Bank House, 8a Hill Road, Clevedon, Avon BS21 7HH, England.

All queries and communications concerning subscriptions, including claims and address changes, and concerning back issues should be sent to Tieto Ltd.

The current subscription or back issue price per volume of 2 issues including postage is £25 (US\$49).

## INDEX TO VOLUMES 1–13

The Cumulative Index to Volumes 1–13 is also published for ASTIN by Tieto Ltd at the above address and is available for the price of £5.00.
