## The Clash of Ideas in World Politics

Transnational Networks, States, and Regime  
Change, 1510–2010

*John M. Owen IV*

“This book is a major contribution to the history and theory of international relations. We were already in debt to John Owen for his excellent, nuanced analysis of the notion that democracies do not fight each other. This volume is far more ambitious and proves that—as in world politics itself—ideas and historical understanding are more important than accumulations of numbers.”

—Stanley Hoffmann, Harvard University

*Princeton Studies in International History and Politics*  
*G. John Ikenberry and Marc Trachtenberg, Series Editors*
