Statement of Purpose

Religion and American Culture: A Journal of Interpretation explores the interplay between religion and other spheres of American culture. The journal embraces a diversity of methodological approaches and theoretical perspectives. Although concentrated on specific topics, articles illuminate larger patterns, implications, or contexts of American life. *Religion and American Culture* is, thus, devoted to promoting the ongoing scholarly discussion of the nature, terms, and dynamics of religion in America.

Religion and American Culture (ISSN 1052-1151; online ISSN 1533-8568) is published bi-annually by the University of California Press for the Center for the Study of Religion and American Culture. Subscription rates per year are \$35 individual, \$112 institutional. Outside N. America, add \$15 postage per volume for air freight. Single issues are available for \$19 individual, \$62 institutional. Please notify the University of California Press of any change of address.
