CATECHISM ON THE RELIGIOUS STATE

By LOUIS FANFANI, O.P.

Long years as a professor of canon law and as author of several classical works on various subjects in this field qualify Father Fanfani as an authority. In addition to this he served as a consultor of the Sacred Congregation of Religious, and consequently was well acquainted with the workings of the law of the Church which concerns religious of both sexes.

In this work the author has succeeded in bringing the main points of ecclesiastical religious legislation within the comprehension of those who have not yet had training in theology or in canon law.

CHRISTIAN PERFECTION AND CONTEMPLATION

By R. GARRIGOU-LAGRANGE, O.P.

"Père Garrigou-Lagrange's work has given definite shape to the revival of mystical theology, to the traditional teaching which deduces from revealed truths the form of Christian living and finds in it union with God based upon a faith illuminated by the gifts of the Holy Ghost and unfolding into contemplation, infused and supernatural. It would be difficult, even for a reviewer, to exaggerate the value of this book." *Downside Review*
