Early Ireland

An Introduction to Irish Prehistory

Michael J. O'Kelly

Foreword by Glyn Daniel

Engagingly written and packed with illustrations, this study introduces the reader to the riches of Irish prehistory — a span of eight thousand years from the end of the Ice Age to the first centuries of the Christian era.

Economic Prehistory

Papers on Archaeology by Grahame Clark

Grahame Clark

Grahame Clark has pioneered the use of the archaeological record to document the economic and social life of prehistoric communities and has played a major role in moving archaeology away from its preoccupation with typology and in spurring on the newly emergent discipline of bioarchaeology. These papers reflect all these concerns.
