Aims and Scope: *The Journal of Economic History* seeks to promote the scholarly study of economic aspects of the human past from a diversity of perspectives, notably those of economists and historians. By encouraging careful formulation of issues and clear exposition of methods, the JOURNAL hopes to stimulate discourse among scholars with varied interests and modes of inquiry. The JOURNAL is abstracted in *EconLit*, *e-JEL*, *JEL on CD*, *Sociological Abstracts*, *Elsevier Geo Abstracts*, and *Scopus*. Back issues of the JOURNAL (5-years-old and older) are available on-line to JSTOR subscribers. [Http://JSTOR.ORG](http://JSTOR.ORG).

Instructions for Contributors: Articles on economic history and related aspects of history or economics will be considered for publication by the Editors on the understanding that the articles have not previously been published and are not under consideration elsewhere. Papers should indicate the wider significance of detailed original research findings as well as the logic and limitations of specialized techniques of analysis. Comments and shorter notes are also welcome. The JOURNAL does not accept unsolicited book reviews, nor can it honor requests to review particular works. Contributions should be kept within 35 double-spaced pages, inclusive of footnotes, references, figures, and tables—approximately 15,000 words. A submission fee, payable to the Economic History Association, of \$60.00 or a year's membership (fee schedule below) is required for nonmembers of the Association.

How to Submit a Paper for Consideration: Log into <http://mc.manuscriptcentral.com/jeh> and follow the instructions there. Choose Editor Jean-Laurent Rosenthal for submissions dealing with the Eurasian Land Mass; choose Editor Paul Rhode for submissions dealing with the Americas, Africa, and Australasia. Upload files (completely blinded of identifying information) as Word, WordPerfect, or Excel documents. **Editorial Office Addresses:** Jean-Laurent Rosenthal, Editor; *Journal of Economic History*; jeh@hss.caltech.edu; Division of the Humanities and Social Sciences, Mail Code 228-77, California Institute of Technology, Pasadena, California 91125. Why Australia Prospered

The Shifting Sources of Economic Growth

Ian W. McLean

“This exceptionally well-written book explains why Australia has been almost continuously prosperous since the first settlement. A truly deep study of the mechanisms of economic growth, it is a top-rate contribution to its field and will become the standard work on Australian economic history.”
—Eric Jones, professor emeritus, La Trobe University

Cloth \$35.00 978-0-691-15467-1

The Roman Market Economy

Peter Temin

“Economic historians have actively studied medieval and early modern Europe for decades, but few have ventured back as far as Peter Temin does here. He demonstrates that economic arguments apply just as well to the ancient world, and that even quite general propositions can be tested against evidence from antiquity.”

—François R. Velde, coauthor of *The Big Problem of Small Change*
