ANIMAL PARADISE

To animal lovers, the Kruger National Park must be the most enthralling place in the world: for it is the world's greatest game sanctuary . . . 8,000 square miles of wild bush country, where the untamed creatures of the African jungle may be seen at close quarters in absolute safety (provided you stay in your car). In addition, there is the Hluhluwe Game Reserve in Natal where the rare white rhino roams and a number of other large game reserves: from all of which you can 'bring 'em back alive', in your camera.

Yet all this is only part of the thrill of a holiday in the glorious sunshine and scenery of South Africa.

**Every Thursday afternoon at 4.0
a Mailship sails from Southampton
to South African sunshine**

Also sailings from London
