## INFORMATION FOR CONTRIBUTORS

The *Proceedings of the British Society of Animal Production (Old Series)* last appeared in 1958, when it was absorbed into *Animal Production*, the Journal of the Society. Publication has been recommenced as a means of recording and publicising the increasing activities of the Society. The *Proceedings* will contain only material given at Society meetings, or reports and reviews written at the invitation of the Society. Uninvited contributions should *not* therefore be submitted to the *Proceedings* but such papers describing original research should be sent to *Animal Production*.

Invited contributions should conform to the style detailed in the NOTES FOR THE GUIDANCE OF CONTRIBUTORS printed in *Animal Production*, Volume 13, pages ix to xx.

Manuscripts should be sent to the editor:

Dr Maurice Bichard,  
Pig Improvement Company Ltd.,  
Fyfield Wick,  
Abingdon,  
Oxon.  
OX13 5NA

The *Proceedings* will be published once a year; the annual subscription is £1.75 (or \$6.00 in the U.S.A. and Canada). A joint subscription with *Animal Production* (six numbers a year in two volumes) is available at £10.00 (or \$28.00).

Business matters, including regular subscriptions and sales (the current Journal, back numbers of the Journal and the *Proceedings* (1944-58) and reprints), should be addressed to Longman Group Limited, Journals Division, 43/45 Annandale Street, Edinburgh EH7 4AT, Scotland.
