ANNUAL OTOLARYNGOLOGIC ASSEMBLY

8 TO 14 NOVEMBER 1975

THE ANNUAL OTOLARYNGOLOGIC ASSEMBLY OF 1975 will be held from 8 to 14 November 1975 in the Eye and Ear Infirmary of the University of Illinois Hospital. The Department of Otolaryngology of the Abraham Lincoln School of Medicine, University of Illinois at the Medical Center, offers a condensed basic and clinical programme for practicing otolaryngologists under the direction of Emanuel M. Skolnik, M.D., with Burton J. Soboroff, M.D., as co-chairman. This programme is designed to bring to specialists current information in medical and surgical otorhinolaryngology.

Interested otolaryngologists should direct their inquiries to the mailing address: Otolaryngology, P.O. Box 6998, Chicago IL 60680.

A separate, but correlated course, 'CONFERENCE ON RADIOLOGY IN OTOLARYNGOLOGY AND OPHTHALMOLOGY' will be held this year on Friday and Saturday, 28 and 29 November, under the guidance of Galdino E. Valvassori, M.D. For further information about the radiology conference, write to Professor Valvassori, Radiology Department, Abraham Lincoln School of Medicine, P.O. Box 6998, Chicago IL 60680.

OTOLOGIC SURGERY COURSE

THE EAR Research Institute announces the eleventh annual Otologic Surgery Course sponsored by the Ear Research Institute and the University of Southern California School of Medicine in cooperation with the Otologic Medical Group, Inc., and St. Vincent's Medical Center. This course will be presented in two parts: MIDDLE EAR SURGERY, 11-14 January, 1976 and NEURO-OTOLOGIC SURGERY, 14-17 January, 1976. Registration may be for either or both parts.

The course will consist of closed circuit color television of surgical procedures, lectures, motion pictures and discussions of medical and surgical management of middle ear and neuro-otologic problems, including cochlear implantation.

Registration fee is \$300 for each section or \$550 for both sections and is payable in U.S. currency to the Ear Research Institute at the time of application. For residents in otolaryngology or neuro-surgery the tuition is \$200 for each section or \$350 for both sections.

Application from residents must be accompanied by a letter from their Chief of Service.

For further information address communications to F.H. Linthicum, Jr., M.D., Ear Research Institute, 2130 West Third Street, Los Angeles, CA 90057.

ANNOUNCEMENT OF A NEW JOURNAL
HEARING,
and CALL FOR PAPERS

THE American Audiology Society, Aram Glorig, M.D., President, has contracted with Williams and Wilkins, Baltimore, Maryland, to publish the Society's journal, entitled *HEARING*.

Initially a quarterly, it is expected that *HEARING* will shortly be released bi-monthly. Information from the Society on the journal may be obtained from Dr. Glorig or from Ross Roeser, Ph.D., Secretary/Treasurer at 1966 Inwood Road, Dallas, Texas 75235. Subscriptions may be obtained from the publisher or by membership in the Society.

Special features of *HEARING* will include short lag on acceptance/rejection, a thorough review process through essentially autonomous Section Editors each with his own assistants, and a broad interdisciplinary policy. The Society's Editorial Policy Board, controlling all professional aspects of the journal, consists of members-at-large Daniel Ling, Ph.D., Fred Linthicum, M.D., and W. Dixon Ward, Ph.D., and *ex officio* members Aram Glorig, Ross Roeser, J. Donald Harris, Ph.D. (Editor in-Chief), Chairman, and Jerry Northern, Ph.D. (Associate Editor).

Audiology is defined by the Society as the study of hearing in all its aspects. The Society is especially interested in intermixing audiology and otology, and *HEARING* will reflect that goal.

Papers are now being solicited for Vol. 1, to appear in 1975. Writers with manuscripts ready or nearly ready for release are invited to send four copies for consideration to the Editor-in-Chief, Box N, Groton, Connecticut, 06340, with at least one copy of each figure. Papers will be expected to conform generally to the format of the Council of Biology Editors Style Manual, Third Edition, 1972, American Inst. Biol. Sciences, 3900 Wisconsin Avenue, N. W., Washington, D. C. 20016.
