## Decennial Meeting

The 4th Decennial International Conference on Nosocomial and Health-Care Associated Infections will be held in conjunction with the 10th Annual Meeting of SHEA. For abstract

and registration information, please contact the decennial conference organizers at 301-984-9450, or visit <http://www.decennial.org>. Individuals who wish to register for SHEA's pre-

conference workshops should contact SHEA directly at 856-423-7222 (ext 350), or visit <http://www.medscape.com/SHEA>.

## Spotted the Site?

In September 1999, the FDA and the CDC issued a Public Health Advisory: Infections From Endoscopes Inadequately Reprocessed by an Automated Endoscope Reprocessing

System. The document includes excellent recommendations and may be reviewed at: <http://www.fda.gov/cdrh/safety/endoreprocess.html>.

## Happy Holidays

We and the Board of the Society for Healthcare Epidemiology of America wish all readers and SHEA members a happy holiday season and a Happy New Millennium!
