Editor

Bruce Kaye, University of New South Wales, Australia

Journal of Anglican Studies provides a serious scholarly conversation on all aspects of Anglicanism. It embraces history, theology, worship, ethics, scripture, canon law, aesthetics and education. Anglicans live enmeshed in many different cultural contexts. How their faith is expressed in the particular and how it is shared across the globe is a fundamental issue in this tradition. With its international reach, *Journal of Anglican Studies* is able to focus on this question and by doing so offers a distinctive and unique contribution to our understanding of Anglicanism today.

Books of enduring scholarly value
CAMBRIDGE LIBRARY COLLECTION

Originating in a unique collaboration between the world's oldest publisher and the renowned Cambridge University Library, the Cambridge Library Collection makes important historical works accessible in new ways. The combination of state-of-the-art scanning technology and the Press's commitment to quality gives today's readers access to the content of books that until recently would have been available only in specialist libraries.

Already a pioneer in the re-publishing of titles from its own backlist, Cambridge University Press has extended its reach to include other books which are still of interest to researchers, students and the general reader. The Press's collaboration with Cambridge University Library and other partner libraries allows access to a vast range of out-of-copyright works, from which titles are selected with advice from leading specialists.

With subjects ranging from anthropology to zoology, the Cambridge Library Collection allows readers to own books they would otherwise find it hard to obtain, including the monumental Library Edition of the *Works of John Ruskin* edited by Cook and Wedderburn, the complete *Naval Chronicle* documenting warfare at sea in the Napoleonic period, accounts of the exploration of the Americas, Australia and China, and scientific writings by Darwin and his circle.

Each page is scanned and the resulting files undergo a rigorous process of cleaning, in which any blemishes are removed to obtain a crisp and legible text. Each book has a new cover design and a specially written blurb which highlights the relevance of the book to today's readers. The latest print-on-demand technology then ensures that the content of these rare and sometimes fragile books will be made available worldwide. The Collection is now available, in searchable form, as part of **Cambridge Books Online**.

Harvard Theological Review

Published on behalf of the Faculty of Harvard
Divinity School

Editors

Jon D. Levenson, *Harvard Divinity School, USA*

Kevin Madigan, *Harvard Divinity School, USA*

Harvard Theological Review has been a central forum for scholars of religion and theology since its founding in 1908. It continues to publish compelling original research that contributes to the development of scholarly understanding and interpretation in the history and philosophy of religious thought in all traditions and periods - including the areas of Judaic studies, Hebrew Bible, New Testament, Christianity, archaeology, comparative religious studies, theology and ethics.

Scottish Journal of Theology

Published on behalf of Scottish Journal of Theology Ltd

Editors

Iain Torrance, *Princeton Theological Seminary, USA*
Bryan Spinks, *Yale Divinity School, USA*

Scottish Journal of Theology is an international journal of systematic, historical and biblical theology. Since its foundation in 1948, it has become established as one of the world's leading theological journals. As well as publishing original research articles, most issues contain an article-length review of a recent book, with a reply from the author. *Scottish Journal of Theology* provides an ecumenical forum for debate, and engages in extensive reviewing of theological and biblical literature.

Scottish Journal of Theology is available online at:
