

**A complete law book and  
periodicals service  
for libraries.**

# HAMMICKS

**Law books** from all publishers are available from stock or to customers' orders at our London shop or by mail-order.

**Updating.** We ensure that customers receive all supplements and amendments to any publication, and will be pleased to record your interest in new editions of any title.

**Law periodicals.** A complete, careful and accurate service for all periodical subscriptions is available. Journals are sent direct from publishers to customers but we order, renew and chase on customers behalf.

**Agents.** We are agents for the law publications of Carswell (Canada), Law Book Co. (Australia), Juta (S. Africa).

**Exports.** Publications are exported all over the world by trained staff. We charge U.K. prices and have bank accounts in major countries abroad.
