The Atheist's Bible

The Most Dangerous Book That Never Existed

Georges Minois

Translated by Lys Ann Weiss

"Just as in Umberto Eco's novel *The Prague Cemetery*, if you create false evidence in order to discredit your enemies—be they Jews or Jesuits, Carbonari or Bolsheviks, Masons or the Vatican—you will soon find people eager not only to believe you but also to serve the cause you have been trying to undermine."—*Times Higher Education*

Pilgrimage and Pogrom

Violence, Memory, and Visual Culture at the Host-Miracle Shrines of Germany and Austria

Mitchell B. Merback

"Strong, current, and deeply learned, *Pilgrimage and Pogrom* combines historical investigations of visual cultures used in the service of religion and power, together with associated group practices, pitting Christians against Jews. Mitchell B. Merback's writing shows mastery as well as confidence, and his research is vast and deep."
