OF DANCE ON A GLOBAL SCALE, FROM ANTIQUITY TO THE PRESENT DAY

International Encyclopedia of Dance

6 VOLUMES

A Project of the Dance

Founding Editor:
SELMA JEANNE COHEN

Since the dawn of human history, dance has been a vital form of expression in virtually every culture. From the minuet to the tango to kabuki theater to square dancing, it is a part of the social fabric of all societies, as well as an important art form. Now, Oxford presents the first reference work to document all types of dance around the world and throughout history.

In six volumes, with nearly 2,000 articles written by scholars from over fifty countries, the *International Encyclopedia of Dance* offers authoritative coverage of the full spectrum of dance, including theatrical dance, ritual dance-drama, folk, traditional, ethnic, and social dance. Extensive historical and cultural overviews of many nations appear along with articles on specific dance forms, dance performances, music and costumes, biographies of dancers and choreographers, and much more. The encyclopedia is richly illustrated with more than 2,300 photographs and drawings.

Amazing in its scope and dazzling in its diversity, the *International Encyclopedia of Dance* is like no other reference work on dance. Accessibly written and arranged for use by a wide audience, it will be an essential addition to any arts and humanities collection.

The **Congress on Research in Dance (CORD)** is an interdisciplinary organization with an open, international membership. Its purposes are 1) to encourage research in all aspects of dance, including its related fields; 2) to foster the exchange of ideas, resources, and methodology through publications, international and regional conferences, and workshops; 3) to promote the accessibility of research materials.

CORD is a non-profit, tax-exempt organization. Copies of the CORD financial and operating report, filed with the State of New York, are available upon written request from the New York State Board of Social Welfare, Charities Registration Section, Office Tower, Empire State Plaza, Albany, NY 12242 U.S.A.

Members of CORD have voting privileges, reduced rates at conferences, and special discounts on publica-

tions, and receive two journals and two newsletters each membership year, which extends from January 1 to December 31. Members whose dues are received in the CORD Office after March 15 will receive current publications unless no stock remains, in which case they will receive another recent issue. (Publication print-runs are based on current membership figures and include a limited number of over-runs projected to accommodate members who join after March 15.) To ensure receipt of publications, members are responsible for notifying the CORD Office of address changes in a timely manner.
