## *An International Review*

*ATS* is a forum of international opinion on theoretical issues which include ideological development and analyses of social structures and changes in Pacific and South Asian countries.

*ATS*, in its articles, provides in-depth analyses of Asian issues;

*ATS*, in its dialogues, provides creative reflections and observations of scholars and statesmen unencumbered by scholarly apparatus;

*ATS*, in its Profiles, provides brief but solid analyses of current problems serving as timesaving sources for general readers and enabling specialists to keep abreast of Asian affairs outside of their own particular fields, and areas.
