

PROCEEDINGS
OF THE
Prehistoric Society
OF
EAST ANGLIA.

VOLUME II.
1914-15 TO 1917-1918.

(Edited by W. G. CLARKE, Hon. Secretary).

LONDON:
H. K. LEWIS & Co., 136, Gower Street, W.C.
1918.

CONTENTS.

	<i>Pages.</i>
Business Proceedings	11, 162, 330, 470
Lists of Members	4, 163, 331, 472
Lists of Officers	3, 161, 329, 469
Lists of Publications presented to the Society	9, 168, 336, 477
Summaries of Proceedings	154, 320, 459, 588

ORIGINAL PAPERS.

W. J. LEWIS ABBOTT, F.G.S., F.R.A.I.—“ The Pliocene Deposits of the South-East of England ”	175
A. LESLIE ARMSTRONG, F.S.A. (Scot)—“ ‘ Carib ’ Type of Axe found in Yorkshire ”	59
ALFRED BELL.—“ A Description of the Sub-Crag Detritus Bed ”	139
HENRY BURY, F.G.S.—“ Some ‘ Flat-faced ’ Palæoliths from Farnham ”	365, 589
LOUISA L. F. CATON.—“ Spade-Work in North-West Suffolk ” ...	35
R. H. CHANDLER.—“ Implements of Les Eyzies Type and a Working Floor in the River Cray Valley ”	80
“ The Implements and Cores of Crayford ”	240
“ Some Supposed Gunflint Sites ”	360
W. G. CLARKE.—“ Two North-West Suffolk Floors ”	39
“ Peddar’s Way ”	51
“ A Prehistoric Flint-pit at Ringland ”	148
“ Cone Cultures in the Wensum Valley. A.—Hellesdon ” ...	194
(With H. H. HALLS)	
“ The Norfolk Sub-Crag Implements ”	213
“ Floor and Supposed Hut-Circle at Ringland ”	323
“ Are Grime’s Graves Neolithic ? ”	339
“ A Cissbury Type Station at Great Melton ”	374
(With H. H. HALLS)	
“ The Grime’s Graves Excavations, 1914 ”	319, 465
“ The Icknield Way in East Anglia ”	539
HENRY DEWEY, F.G.S.—“ Surface Changes in North Kent in Palæolithic and Later Times ”	107
S. E. DIXON.—“ Some Earthworks and Standing Stones in East Anglia in relation to a Prehistoric Solar Cultus ”	171
H. H. HALLS (with W. G. CLARKE).—“ Cone Cultures in the Wensum Valley. A.—Hellesdon ”	194
“ A Cissbury Type Station at Great Melton ”	374
EDITH HENDERSON.—“ Opening of a Barrow at Salthouse, Norfolk ”	155
H. DIXON HEWITT, F.I.C.—“ A Neolithic Site near Thetford ” ...	42
“ Some Experiments in Patination ”	45
MAJOR J. D. HILL.—“ Surface Implements of a Late Palæolithic Site ”	519

REV. H. G. O. KENDALL, F.S.A.—“ Middle Glacial and pre-Crag Implements in South Norfolk ”	31
“ Flint Implements in Cornwall ”	58
“ Some Palæolithic Pits and Periods in Hertfordshire ”	135
“ Chipped Flints from below the Boulder Clay at Hertford ”	352
“ Windmill Hill, Avebury, and Grime’s Graves ”	230
“ More about Windmill Hill, Avebury, and Grime’s Graves ”	563
A. S. KENNARD, F.G.S.—“ The Pleistocene Succession in England ”	249
NINA F. LAYARD, F.L.S.—“ Coast Finds by Major Moore at Felixstowe Ferry ”	132
J. G. MARSDEN.—“ A Workshop Floor near Porthcurno, Cornwall ”	41
“ Further Note on Workshop Floor near Porthcurno ”	173
J. REID MOIR, F.R.A.I.—“ Further Discoveries of Flint Implements of Man beneath the Base of the Red Crag of Suffolk ”	12
“ A Series of Mineralised Bone Implements of a Primitive Type from below the Base of the Red and Coralline Crags of Suffolk ”	116
“ A Series of pre-Palæolithic Implements from Darmsden, Suffolk ”	210
“ The Position of Prehistoric Research in England ”	381
“ The Ancestry of the Mousterian Palæolithic Flint Implements ”	508
“ The Flaking and Flake-Characteristics of a pre-Red Crag Rostro-Carinate Flint Implement ”	524
“ The Fracturing of Flints by Natural Agencies in Geological Deposits ”	575
C. F. MOYSEY.—“ A Flint Implement Factory Site near Milverton, Somerset ”	521
T. E. NUTTALL, M.D., F.G.S.—“ The Occurrence of Palæoliths in North-East Lancashire ”	61
A. E. PEAKE, M.R.C.S., L.R.C.P.—“ A Cave Site at Nettlebed, Oxon ”	71
“ The Gravel at No-Man’s Land Common, Hertfordshire ”	222
“ Recent Excavations at Grime’s Graves ”	268
“ Further Excavations at Grime’s Graves ”	409
“ A Prehistoric Site at Kimble, S. Bucks ”	437
“ Surface Palæolithic Implements from the Chilterns ”	578
A. J. PICKERING, F.G.S.—“ Flint Implements from the Ploughlands of S.W. Leicestershire ”	549
J. E. SAINTY, B.Sc.—“ Cone Cultures in the Wensum Valley.— B.—Sparham and Lyng ”	203
G. W. SMALLWOOD.—“ Flint and other Stone Implements found at Mary Tavy, Devon ”	349
REGINALD A. SMITH, B.A., F.S.A.—“ High Level Finds in the Upper Thames Valley ”	99
“ Plateau Deposits and Implements ”	392
“ Our Neighbours in the Neolithic Period ”	479
C. S. TOMES, LL.D., F.R.S.—“ An Ancient Interment at Mannington ”	152

PROCEEDINGS
OF THE
Prehistoric Society

OF
EAST ANGLIA
