

On behalf of the CAEP Research Committee, it is our pleasure to introduce the dedicated team of volunteers who made CAEP's 2017/18 Grant and Abstract Competitions such a huge success. With their support, we were able to grow the annual CAEP research competitions, which included 32 grant applications and a record 401 abstract submissions. We could not have achieved this without the support of our volunteers and our generous EM Advancement Fund (EMAF) donors.

Sincerely,
 Jeff Perry, MD, MSc
 Andrew McRae, MD, PhD
