DOI: <https://doi.org/10.1017/S1368980024000259>, Published online by Cambridge University Press, 29 January 2024.

The authors of the above paper would like to apologise for the omission of Edoardo Bono from the author list, which has since been updated, along with the Authorship section.

Further, Fondazione Istituto Vismara De Petri Onlus was erroneously credited for partial funding instead of the correct Fondazione Peppino Vismara. This has also been updated.
