Slavery in the American Republic Developing the Federal Government, 1791–1861

David F. Ericson

“Treating fundamental subjects—war, territory, law, property, labor, and citizenship—this resonant book powerfully advances our understanding of how slavery constituted political life in antebellum America. Its sharply-etched arguments about institutions, power, and policy illuminate how a ‘house divided’ by race and region nonetheless could constitute a tightly connected structure.”—**Ira Katznelson**, coauthor of *Liberal Beginnings: Making a Republic for the Moderns*

“Ericson’s powerful book amply documents how the institution of slavery was not only shaping domestic and foreign policy but also shaping the structure of the federal government itself.”
—**James Huston**, author of *Calculating the Value of the Union: Property Rights, Slavery, and the Economic Origins of the Civil War*
344 pages, Cloth \$37.50

Introducing a new series:

Constitutional Thinking

Jeffrey K. Tulis and Sanford Levinson, series editors

Books in the series will develop constitutional theory beyond legalistic concerns by examining such matters as institutional development; public policy; and political behavior, culture, and theory. The editorial approach, then, favors a constitutional theory embracing the full range of activities relevant to the making, maintenance, and reform of constitutions and constitutional cultures.

Habeas Corpus in America The Politics of Individual Rights

Justin J. Wert

“This is the best history of habeas corpus that I know of. It both confirms and extends important insights in American constitutional development, as well as providing vital information on a basic constitutional right.”—**Mark A. Graber**, author of *Dred Scott and the Problem of Constitutional Evil*

302 pages, Cloth \$34.95

Published on behalf of the University of Notre Dame

The **Review of Politics**

Editor-in-Chief:

Catherine H. Zuckert, *University of Notre Dame*

The Review of Politics publishes primarily philosophical and historical studies of politics, especially those concentrating on political theory and American political thought. Thoughtful scholarly reflections on all aspects of politics - including analysis of institutions and techniques,

analysis of literary reflections on politics, political interpretations of literary works, and constitutional theory and analysis - are also welcome. Some of the first essays advocating "realism" were published in *The Review*, as well as articles from its opponents in international relations; both perspectives are accepted parts of the journal's coverage.

EUROPEAN POLITICAL SCIENCE REVIEW

Editors:

Donatella Della Porta, *European University Institute*
B. Guy Peters, *University of Pittsburgh, USA*

European Political Science Review (EPSR)

offers an indispensable and stimulating source of new scholarship in all areas of political science. The journal aims to meet the needs of all who wish to maintain a broad awareness of important new work in the discipline.

EPSR is wide-ranging, broad-minded and embraces all the key themes and approaches of the discipline and it is not restricted to any particular methodology or regional focus.

EPSR encourages scholarship that reaches across fields of substantive interest and methodological commitments and as such, it reflects the full richness and diversity of the discipline and at the same time seeks creatively to reach beyond its borders.

STUDIES IN AMERICAN POLITICAL DEVELOPMENT

INSTRUCTIONS TO CONTRIBUTORS

Submitted articles: Authors should upload their manuscripts (double spaced) to the SAPD online submissions system at <http://www.editorialmanager.com/SAPD>. Please note that SAPD will no longer accept manuscript submissions by regular mail. Editorial correspondence should be directed to sapd@ucla.edu or, by regular mail, to *Studies in American Political Development*, Department of Political Science, University of California, Los Angeles, CA 90095-1472.

Preparation of manuscript: A separate title page should be prepared including the full article title, short title for use as a running head, author's full name and affiliation, and complete contact information (including phone number and e-mail address).

Manuscripts should conform to *Chicago* style (see below for examples concerning preparation of reference and note material). The entire manuscript (including notes and references) should be typed double-spaced, with at least 1 inch wide margins for copyediting marks. The manuscript should be submitted with elements arranged in the following order: (1) title page, (2) article text, (3) endnotes, (4) bibliography (optional), (5) appendices/tables, and (6) figures, placement of tables or figures should be cited in the text. The publisher will be responsible for placing artwork, tables or figures, as well as converting endnotes to footnotes.

Figures: Appendices, tables, and figures should be numbered consecutively throughout the article and should be included on separate pages appearing after the reference section. Table and figure images should also be uploaded as separate files. Figures should be ready for photographic reproduction; they cannot be redrawn by the publisher. Charts, graphs, or other artwork should be professionally rendered, or computer generated.

References and notes: References and notes should conform to the examples given here. For other cases, please refer to *The Chicago Manual of Style*. Author's acknowledgments or other personal notes will appear as an unnumbered note at the foot of the title page. Notes should be double-spaced and placed at the end of the essay, not at the foot of the page. Notes should be numbered consecutively throughout the article. Numbered notes should appear at the end of the sentence. If multiple texts are cited in a sentence they should appear as one consolidated note at the end of the sentence.

Examples of correct styling for references are as follows:

Books: John D. Hicks, *The Populist Revolt: A History of the Farmers' Alliance and the People's Party* (Minneapolis: University of Minnesota Press, 1931), 96–152.

Subsequent references: Hicks, *Populist Revolt*, 96–152.

Journal articles: Scott C. James, "Building a Democratic Majority: The Progressive Vote and the Federal Trade Commission," *Studies in American Political Development* 9 (1995): 331–85.

Subsequent references: James, "Building a Democratic Majority," 331–85.

Chapters in collections: Benjamin Ginsberg, "Money and Power: The New Political Economy of American Elections," in *The Political Economy*, ed. Thomas Ferguson and Joel Rogers (Armonk, NY: M.E. Sharpe, 1984), 163–79. Subsequent references: Ginsberg, "Money and Power," 163–79.

Court cases: *United States v. Patterson*, 55 F. 605 (1893).

Congressional Records: *Congressional Record*, 78th Congress, 1st Sess., 1943, 89, 3353.

State and party abbreviations: Sen. Ted Kennedy (D-MA); Rep. Charles Rangel (D-NY)

Copyediting and proofreading: The publisher reserves the right to copyedit and proofread all articles accepted for publication. The lead author will be asked to review the copyedited manuscript prior to typesetting. Page proofs of an article will be sent to the lead author for correction of typographical errors only; authors must notify the editorial office of any changes within 48 hours or approval will be assumed.

Originality and copyright: To be considered for publication in *Studies in American Political Development*, a manuscript cannot have been published previously, nor can it be under review for publication elsewhere. Papers with multiple authors are reviewed with the assumption that all authors concur with its submission. A Copyright Transfer Agreement, with certain specified rights reserved by the author, must be signed and returned to the Editor by senior authors of accepted manuscripts, prior to publication.
