Recherches Economiques de Louvain  
Département des Sciences Economiques  
place Montesquieu, 3 - 1348 Louvain-la-Neuve

Authors are kindly requested to adhere to the following rules:

- 1° Bibliographical references:
  - a) indicate in the text name of the author followed by the year of publication in brackets [for example: Smith (1969)];
  - b) all references should be collected at the end of the paper. Underline the name of the book or of the review (no abbreviations).  
*For example*  
Brown, J.R. (1970), **Economic Theory**, Un. Press. Louvain.  
Smith, L.P. (1969), The Effects of Inflation on the Distribution of Income, **American Economic Journal**, Vol. 51. n° 1.
- 2° Important formulas should be numbered consecutively. These numbers should be written in brackets at the right-hand side of the page.
- 3° Foot-notes should be referred to by numerical superscripts and collected on a separate sheet.

## SOMMAIRE - CONTENTS

---
