Thermodynamic limitations for alkali metals in $Cu(In,Ga)Se_2$ – CORRIGENDUM

Dimitrios Hariskos and Michael Powalla

doi: https://doi.org/10.1557/jmr.2017.394, Published by Cambridge University Press, 17 October 2017

In Hariskos and Powalla, page 6, first column, lines 14–16, the sentence reading In contrast, sodium concentrations up to 50 at. were detected on grain boundaries should have read, In contrast, sodium concentrations up to 4 at. were detected on grain boundaries as reported in the cited source. The authors regret this error.
