OBERLIN : : : : : OHIO

MILTON SAID IT

"A good book is the precious life-blood of a master spirit, embalmed and treasured up on purpose to a life beyond life."

THESE ARE GOOD BOOKS

THE REVELATION OF JOHN. By SHIRLEY J. CASE. \$2.75, postpaid \$2.90. The central idea of the book is to explain the meaning of Revelation as its author intended it to be understood by those to whom it was first addressed. The volume has been prepared especially to meet the needs of the preacher and the layman who desire a popular rather than a highly technical treatment of the subject.

THE NEW ORTHODOXY. By EDWARD S. AMES. \$1.25, postpaid \$1.35. Presents in simple terms a view of religion consistent with the mental habits of those trained in the sciences, in the professions, and in the expert direction of practical affairs. Every person dissatisfied with the scholastic faith of traditional Protestantism will find this volume exceedingly helpful.

SOME RELIGIOUS IMPLICATIONS OF PRAGMATISM. By JOSEPH R. GEIGER. Paper, 50 cents, postpaid 53 cents. This study is concerned with the religious problem as it has come to be formulated in the history of modern thought. Dr. Geiger says that if pragmatism is to prove fruitful and suggestive for the interpretation of religious realities and for the criticism and evaluation of religious knowledge and truth, this must be by reason of its general doctrines concerning reality, knowledge, and truth.

WILLIAM JAMES AND HENRI BERGSON. By HORACE M. KALLEN. \$1.50, postpaid \$1.65. This volume is a study in philosophic contrasts. It points out how William James and Henri Bergson, although showing certain general tendencies of thought, formulated divergent, and in some respects antagonistic, theories of life and fate.

THE RELATION BETWEEN RELIGION AND SCIENCE: A BIOLOGICAL APPROACH. By ANGUS S. WOODBURNE. Paper, 75 cents, postpaid 85 cents. The author has shown that religion and science may exist side by side in cordial relationships where the specific functions of each are recognized.

THE SPREAD OF CHRISTIANITY IN THE MODERN WORLD. By EDWARD C. MOORE. \$2.00, postpaid \$2.15. This book gives a survey of missions since the beginning of the modern era, about 1775 A.D., and depicts the missionary movement against the background of general history.

A GUIDE TO THE STUDY OF THE CHRISTIAN RELIGION. Edited by GERALD B. SMITH. \$3.00, postpaid \$3.20. An up-to-date comprehensive survey, by twelve well-known scholars, of progress in the new scholarship of the past twenty-five years, in its relation to the Bible and theology.

THE UNIVERSITY OF CHICAGO PRESS

5851 ELLIS AVENUE

CHICAGO, ILLINOIS

Books of Permanent Value

THE RELIGIOUS HISTORY OF NEW ENGLAND

By JOHN W. PLATNER, W. W. FENN, and others \$2.75

Essays on the Congregationalists, Unitarians, Baptists, Quakers, Episcopalians, Methodists, Universalists, and Swedenborgians, each by an acknowledged leader.

"A book of first rate importance to the student of American Christianity."—*Union Seminary Review*. "This fascinating volume."—*Contemporary Review* (London).

STRIFE OF SYSTEMS AND PRODUCTIVE DUALITY

By WILMON H. SHELDON, of Dartmouth College \$3.50

"A distinct achievement. . . . The volume offers an admirably sympathetic and accurate cross section of the deposit of the entire philosophic tradition. . . . It is a very substantial and much needed achievement to have given the careful exposition of Natorp's, Münsterberg's, and Baldwin's systems, to have given a fine portrayal and interpretation of the Thomistic synthesis, to have subjected 'Great Objectivism' to a remarkably clear and acute analysis and criticism, and everywhere to see into the motives, the difficulties, and the deeper points of contact between the major types of philosophic thinking."—GEORGE P. ADAMS, in *The Philosophical Review*.

THE SELF AND NATURE

By DEWITT H. PARKER, of the University of Michigan \$2.00

"It is independently thought out, and well abreast of the speculations of modern thinkers; and its own attitude to the riddle of the universe is an encouraging one, since its teaching discredits pessimism as an intelligible disillusion, and lays it down that 'all the fundamental values of human existence remain intact.'"—*The Scotsman* (Edinburgh).

THE ORDER OF NATURE

By LAWRENCE J. HENDERSON, of Harvard University \$1.50

"I am struck with its thoroughness and thoughtfulness, and regard it as of unusual significance and value to all earnest students of the theology of nature."—J. W. BUCKHAM, *Pacific Theological Seminary*, Berkeley, California.

HARVARD THEOLOGICAL STUDIES

Edited by GEORGE FOOT MOORE, JAMES HARDY ROPES, and KIRSOPP LAKE.

THE
HARVARD
THEOLOGICAL REVIEW

Issued quarterly by the Faculty of Divinity in
Harvard University, Cambridge, Massachusetts

Editorial Committee

WILLIAM W. FENN HENRY WILDER FOOTE FREDERIC PALMER

The *Harvard Theological Review* is an undenominational theological quarterly, established by the aid of the bequest of Miss Mildred Everett, daughter of Reverend Charles Carroll Everett, D.D., Bussey Professor of Theology in the Harvard Divinity School, 1869–1900, and Dean of the School, 1878–1900.

The Review aims to include discussions in the various fields of theological study, and also in the history of religions, ethics, education, economics, and sociology, in their theological and religious aspects. It is designed to serve the needs not only of clergymen and scholars, but of all who are interested in religious thought and in the place and function of religion in modern life.

Remittances and communications on business matters should be addressed to the *Director of the Harvard University Press, Cambridge, Massachusetts.*
