

LEGAL AID.

A rich law student is as rare as an impoverished lawyer.

A fact that convinced us that offering a loan to future solicitors and barristers would be a very sound investment indeed.

It also persuaded us to offer some very generous terms. We're prepared to lend you up to £3,000 at a special low rate of interest.

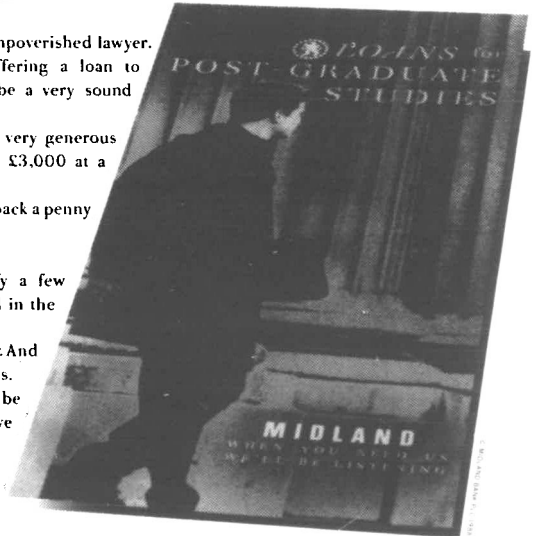

And we're happy for you not to pay back a penny while you're studying.

We don't even ask for security.

All we do ask is that you satisfy a few simple requirements you'll find detailed in the brochure.

For example, you must be 18 or over. And we expect you to open an account with us.

That way, hopefully, you'll still be calling in at the Bank long after you've been called to the bar.
