All prices include delivery by air where appropriate. Prices exclude VAT, which is due on the online component of subscriptions in the UK and non-VAT registered subscribers in the EU. EU subscribers (outside the UK) who are not registered for VAT should add VAT at their country's rate.

VAT-registered customers should provide their VAT registration number:

Japanese prices for institutions (including ASP delivery) are available from Kinokuniya Company Ltd, P.O. Box 55, Chitose, Tokyo 156, Japan.

Heritage Technology Ltd

Heritage Sector IT Specialists

3D Visualisation

- ✔ Digital visualisation of objects, buildings & landscapes
- ✔ Photo-realistic, high quality historical reconstructions

- ✔ Services for visitor attractions, academia & commercial projects
- ✔ Individually tailored to fit **all** requirements & budgets
- ✔ Services also include web design & digital archaeological support

Heritage Technology specialises in creating highly realistic 3D visualisations from historical & archaeological data. Digital reconstruction is a proven technique in both academic & commercial archaeology for portraying often complex spatial & temporal data in an accessible and engaging way. Explore the possibilities at:
