

## *Law and History from Duke*

### **Only One Place of Redress**

African Americans, Labor Regulations,  
and the Courts from Reconstruction to the New Deal

**DAVID E. BERNSTEIN**

"A provocative revisionist overview of legislation regulating labor relations. This will undoubtedly receive a great deal of attention from historians and students of the Constitution, and for good reason."

—Mark Tushnet, author of *Making Constitutional Law: Thurgood Marshall and the Supreme Court, 1961–1991*

208 pages, cloth \$39.95 *Constitutional Conflicts*

### **Crime and Punishment in Latin America**

Law and Society Since Late Colonial Times

**RICARDO D. SALVATORE, CARLOS AGUIRRE,  
& GILBERT M. JOSEPH, EDITORS**

"This collection makes clear, through well-researched case studies and specific examples, that the law and legal institutions have had a more important role in maintaining the social order and the regulation of contention in Latin American history than previously revealed. As such, it will have a crucial impact on this and other fields."—Thomas H. Holloway, University of California, Davis

432 pages, 11 tables, 5 figures, paper \$21.95

### **City of Suspects**

Crime in Mexico City, 1900–1931

**PABLO PICCATO**

"*City of Suspects* offers a perceptive and original analysis of crime and punishment in early twentieth-century Mexico City...illuminating concerns—crime, policing, moral panics—which are as relevant today as they were a century ago."—Alan Knight, Oxford University

344 pages, 7 b&w photos, 17 tables, 1 map, 1 figure, paper \$21.95

## Women in the Barracks

### The VMI Case and Equal Rights

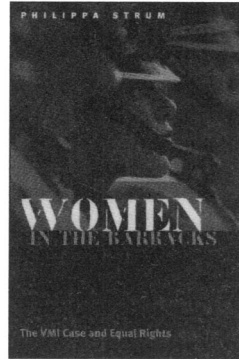

Philippa Strum

“Fascinating and beautifully written. Offers unique insights into the evolution of gender roles in modern and postmodern America.” —Linda Grant De Pauw, author of *Battle Cries and Lullabies: Women in War from Prehistory to the Present*

“An ‘inside story’ full of rich detail that illuminates both VMI’s institutional history and one important strand in the modern women’s movement.”

—Kenneth L. Karst, author of *Law’s Promise, Law’s Expression: Visions of Power in the Politics of Race, Gender, and Religion*

448 pages, 29 photographs, Cloth \$34.95

## Constitutionalism and American Culture

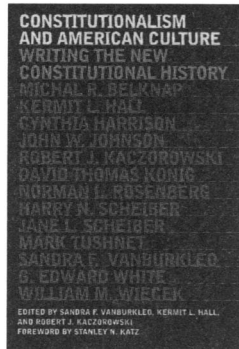

### Writing the New Constitutional History

Edited by Sandra F. VanBurkleo, Kermit L. Hall, and Robert J. Kaczorowski

Foreword by Stanley N. Katz

“A highly rewarding and lively volume that adds depth and insight to our understanding of constitutionalism. Far-ranging in scope, these essays probe vital issues, challenge conventional wisdom, and suggest fresh approaches to shaping the future of constitutional history.”—James W. Ely, Jr., author of *Railroads and American Law*

448 pages, Cloth \$45.00, Paper \$24.95

## Acting for Endangered Species

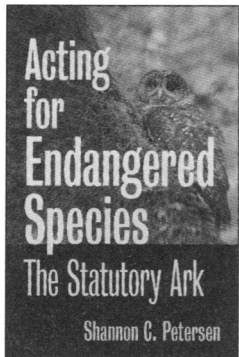

### The Statutory Ark

Shannon C. Petersen

“A lucid account of how the Endangered Species Act came about, why it generates such controversy, and what it holds for the future.”—Bruce Babbitt, former U.S. Secretary of the Interior

*Development of Western Resources*

## **By Order of the President The Use and Abuse of Executive Direct Action**

Phillip J. Cooper

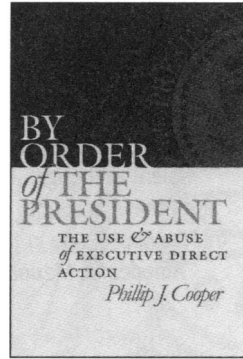

"A fascinating book filled with incisive analysis that leads the reader through the thicket of executive orders, proclamations, directives, and signing statements that presidents have at their disposal."

—James Pfiffner, author of *The Strategic Presidency*

"A judicious but alarming book that sheds light on the truly staggering amount of governmental action that springs from presidential orders of various kinds. . . . Should enjoy a wide readership."—Donald Robinson, author of "To the Best of My Ability": *The Presidency and the Constitution*

*Studies in Government and Public Policy*

320 pages, Cloth \$39.95, Paper \$16.95

### **NEW IN PAPERBACK**

## Democracy's Constitution

*Claiming the Privileges  
of American Citizenship*

JOHN DENVIR

In this provocative reassessment of constitutional intent, Denvir investigates the "privileges or immunities" of U.S. citizenship and considers how they should be understood in the twenty-first century. He asserts that the Fourteenth Amendment implicitly protects certain social rights essential to liberty and the pursuit of happiness. These privileges of national citizenship, in his view, include the opportunity to earn a decent living, the right to a first-rate education, the right to a voice that is heard, and the right to a vote that counts.
