THE JOURNAL

Manuscripts (two copies) for publication should be sent either to the editor or to the appropriate associate editor at the address given in the list below. Manuscripts should be typewritten on good quality quarto sized white paper, the typing should be double spaced, on one side of the paper only, and there should be wide (at least 1½ inches) margins all round. Authors are asked to read the section "Preparation of Manuscripts" on the outside cover of a recent issue.

Correspondence concerning the printing of papers after their acceptance for publication should be addressed to the assistant editor, A. R. JONES, Department of Mathematics, La Trobe University, Bundoora, Victoria 3083.

Authors receive 50 free offprints of their papers; additional offprints may be ordered at cost. Excessive costs incurred by the Society through corrections to or the withdrawal of articles may be charged to the authors concerned.

Two volumes of four parts are published annually, at a price of $ 25 per volume.
