Dr. J. Collis Browne's **CHLORODYNE**

the effectual remedy for
**Coughs, Colds, Consumption,
Bronchitis, Asthma.**

Checks and arrests those too often
Fatal diseases: **Fever, Croup, Ague.**
Acts like a charm in **Diarrhœa,**
The only specific in **Cholera & Dysentery.**
Effectually cuts short all attacks of **Spasms.**
Is the only palliative in **Neuralgia, Rheumatism,
Gout, Toothache.**

The *Illustrated London News* of Sept. 28th, 1895, says:—

"If I were asked which single medicine I should prefer to take abroad with me, as likely to be most generally useful, to the exclusion of all others, I should say **CHLORODYNE**. I never travel without it, and its general applicability to the relief of a large number of simple ailments forms its best recommendation."

Avoid disappointment. Insist on Dr. J. Collis Browne's,

THE ORIGINAL & ONLY GENUINE

Chlorodyne. Eminent Hospital Physicians have stated that Dr. J. Collis Browne was the discoverer of Chlorodyne; that they prescribed it largely, and mean no other than Dr. Browne's.

The secret of its manufacture has never been divulged and therefore a substitute cannot be Chlorodyne.

Of all Chemists,
