Submissions (articles or reports) may be in English, Spanish, or Portuguese. Authors should submit an original and three copies of their manuscripts, along with an abstract in both English and Spanish, to the editor. *Latin American Antiquity* follows *American Antiquity* style. Detailed information on policy, style, and technical matters of manuscript preparation is given in "Editorial Policy, Information for Authors, and Style Guide for *American Antiquity* and *Latin American Antiquity*," which appeared in September 1992 (vol. 3, no. 3); for additional information or clarification consult the managing editor.
