INSTRUCTIONS FOR ON-LINE ACCESS

Institutional subscribers: If you are connecting from an institution with a current subscription to JGAPE, you will automatically receive access to full online content. This is enabled through the use of institutional IP address ranges and does not require a personal login. However, to use the features Cambridge Journals Online offers, including bookmarking articles, saving searches, etc., you must register on the site and select your own username and password.

Individual members: You will need to register on CJO and select your username and password. You will then need to activate your subscription. This will become a simpler procedure over the next few months, when the SHGAPE membership services page becomes live on the site. More information and specific details will be forthcoming.
