Aims and Scope: *The Journal of Economic History* seeks to promote the scholarly study of economic aspects of the human past from a diversity of perspectives, notably those of economists and historians. By encouraging careful formulation of issues and clear exposition of methods, the JOURNAL hopes to stimulate discourse among scholars with varied interests and modes of inquiry. The JOURNAL is abstracted in *EconLit*, *e-JEL*, *JEL on CD*, *Sociological Abstracts*, *Elsevier Geo Abstracts*, and *Scopus*. Back issues of the JOURNAL (5-years-old and older) are available on-line to JSTOR subscribers. [Http://JSTOR.ORG](http://JSTOR.ORG).

Instructions for Contributors: Articles on economic history and related aspects of history or economics will be considered for publication by the Editors on the understanding that the articles have not previously been published and are not under consideration elsewhere. Papers should indicate the wider significance of detailed original research findings as well as the logic and limitations of specialized techniques of analysis. Comments and shorter notes are also welcome. The JOURNAL does not accept unsolicited book reviews, nor can it honor requests to review particular works. Contributions should be kept within 35 double-spaced pages, inclusive of footnotes, references, figures, and tables—approximately 15,000 words. A submission fee, payable to the Economic History Association, of \$50.00 or a year's membership (fee schedule below) is required from nonmembers of the Association.

How to Submit a Paper for Consideration: Log into <http://mc.manuscriptcentral.com/jeh> and follow the instructions there. Choose Editor Phil Hoffman for submissions dealing with all regions except the Americas; choose Editor Price Fishback for submissions dealing with the Americas.
