In the *Journal of Linguistics* article ‘Marking imprecision, conveying surprise: *Like* between hedging and mirativity’ by Andrea Beltrama and Emily A. Hanink, a work by Ruth Maddeaux and Aaron Dinkin is cited incorrectly.

1. In Section 2.1 and in footnote 7, the citations ‘Dinkin & Maddeaux 2017’ should read: Maddeaux & Dinkin 2017

2. The corresponding entry in References should read:  
Maddeaux, Ruth & Aaron Dinkin. 2017. Is *like* like *like*? Evaluating the same variant across multiple variables. *Linguistic Vanguard* 3.1, 20150032.
