The following text was mistakenly omitted from the acknowledgements of this article (Havmøller et al., 2015):

For Sabah, Rasmus Gren Havmøller and J. Payne gratefully acknowledge the support of the Federal Ministry of Education and Research, Germany, the Leipzig Zoo and SOS Rhino for supplying financial support for the camera trap study conducted by P. Kretzschmar & T. Bohm from the Leibniz Institute for Zoo and Wildlife Research in the Tabin Wildlife Reserve during 2012–2013, in cooperation with the Borneo Rhino Alliance. The results of the Tabin

data presented here are preliminary and approximate. A full analysis of the data obtained from that study will be published by P. Kretzschmar et al.
