How to be informed on the latest developments in lighting & lighting control:

Read this ad.

Lekolite® Spotlights Die cast aluminum with Alzak reflectors. Designed for *quartz* and incandescent lamps. Non-rusting, light-weight with easy lamp and reflector access. Minigroove™ lens barrel minimizes internal reflections.

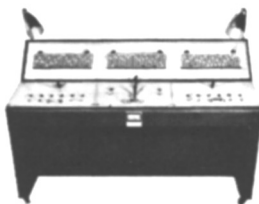

Quartz-Iodine Floodlights Provide all the advantages of *quartz-iodine* lamps. Produce soft-edged, wide, smooth beam and soft shadows. Models available with fixed or adjustable focus. Also available for incandescent lamps.

Edkotron Low cost, lightweight, modular, packaged, portable dimming system. May be rearranged or expanded as budget or other requirements dictate. Provides remote control at low cost. Two scene presetting is possible by adding additional control units as illustrated.

C-Card Uses molded plastic cards with printed circuit boards and small movable sliders for the presetting of lighting intensities. Card punching facilities are not required. No restriction to 5 or 10 scenes as with most preset systems.

Additional information on these and other important lighting and lighting control developments may be obtained by writing either of the addresses given below.
