

journals.cambridge.org

Advancing research. Increasing access.

Informed by detailed consultation with the library and research communities, we are constantly developing our industry-leading online journals platform.

Some recent advances include:

- **Refreshed site design**, facilitating rapid access to the most relevant content.
- **New advanced search interface** and a more detailed, fielded quick search function.
- **Enriched content** in the form of multimedia companions and editorial blogs.
- **Launch of Cambridge Open Option**, our open access initiative. Visit journals.cambridge.org/openoption for more information.

Editor-in-Chief

Brian Dale, Centre for Reproductive Biology, Clinica Villa del Sole, Napoli, Italy

North American Editor

Jacques Cohen, Saint Barnabas Medical Center, USA

Asian Pacific Editor

Norio Suzuki, Hokkaido University, Japan

Zygote publishes original, high-quality papers, short communications, topical review articles and a Forum section, where controversial topics are discussed. Studies on plants, invertebrates, lower vertebrates, mammals and humans at the molecular and cellular levels are published, leading to a unique multidisciplinary publication.
