PRAYER AND ALL THAT

Sister M. Laurence, O.P.

The author has written a book about prayer for people living in the world, and shows that this gift from God is for all of us, not merely for the nun in her cloister, the priest at his breviary, or for that matter for those thought to be 'pious'.

St Dominic

'Just as in the case of Von Matt's pictorial biographies of St Francis of Assisi and St Ignatius Loyola, so with his visual treatment of St Dominic, the mind, stimulated by the eye, and with the memory refreshed by the historical notes and comments, grasps more than might be derived from the perusal of a learned and heavily document biography.' *Tablet*.

'... the quality of the photographs is such that any comment on them is well nigh superfluous. Each one marks a positive triumph which makes any talk about the "dead past" sound a meaningless folly.' *Universe*.

JULIAN OF NORWICH A Shewing of God's Love

Edited by SISTER A. M. REYNOLDS

'Sister Reynolds also gives a very informative introduction on Julian's personality, her mode of life as an anchoress, the profoundness of her teaching, and her greatness as the first English woman of letters.' *Catholic Herald*.

'There are a few summits in literature, very few, which one revisits timidly and almost reluctantly because they are incredibly, intolerably beautiful. Such are the Lady Julian's Revelations.' *Tablet*.
