

GEOLOGICAL MAGAZINE

founded in 1864

by the late Dr. H. Woodward, F.R.S., with which

is incorporated

THE GEOLOGIST

(founded 1858)

Published every two months, price 45/- per annum
(single numbers, 10/-).

Subscriptions for 1957, inquiries relating to back stock, advertising, etc., should be sent to Stephen Austin & Sons, Ltd., Caxton Hill, Ware Road, Hertford, Herts.

The Editors are directed to make it known to the public that the authors alone are responsible for the facts and opinions contained in their respective papers and for the correctness of their references.

Instructions to Contributors.

Articles submitted for publication in the *Geological Magazine* should be addressed to the Editors at the *Sedgwick Museum, Cambridge*, not to the Publishers.

Manuscripts should be typewritten, double-spaced, and preferably with a wide margin, and should be carefully revised; they should be as concise as possible and should not exceed 10,000 words. In the case of a long article allowance must be made for text-figures at the rate of approximately twenty words per sq. in. MS. must be accompanied by a short abstract, 50-100 words. References should not be given in footnotes, but arranged in alphabetic order of author's names at the end of the article; the author's name should be followed by date of publication, and the title of each paper should be given in addition to volume and page numbers of the Journal, thus:—

LAPWORTH, C. 1878. The Moffat Series. *Quart. Journ. Geol. Soc.*, xxxiv, 240-343.

References should be cited in the text by author's name and date, with page reference if necessary, in brackets:—(Lapworth, 1878, p. 339).

Illustrations should be so drawn as to allow reduction to a maximum size of $6\frac{1}{2} \times 3\frac{1}{2}$ inches (the type-area of the Magazine) and originals must not exceed 40×22 inches. Map lettering should be such as to be clearly legible after reduction (equivalent to 5-point as a *minimum* on reduction), while lettering on text-figures should in general be left in pencil for printing.

Authors will receive 25 reprints free of cost.

CHELSEA COLLEGE OF SCIENCE AND TECHNOLOGY

Manresa Road, London, S.W. 3

DEPARTMENT OF GEOLOGY

Head of Department : W. E. SMITH, M.Sc., F.G.S.

ORE-DRESSING

A course of ten lectures on the mineralogical aspects of ore-dressing will be given by Dr. E. Cohen on Wednesday evenings during the Autumn Term, 1958. The course is intended for graduates in geology and metallurgists with a basic knowledge of mineralogy.

Further information may be obtained from the Head of the Department.

SOUTHERN RHODESIA GOVERNMENT

Vacancy : Geologist

Applicants should possess an Honours Degree in Geology requiring a four-year course at a recognized University. Previous experience would be a recommendation, but is not essential.

Salary Scale £900 × £100 to £1,100 × £75 to £1,250 × £50 to £1,650 per annum. The commencing salary may be higher than the minimum depending upon experience and qualifications, but in no case will exceed £1,250 per annum.

Application forms and further details from Secretary (R), Rhodesia House, 429 Strand, London W.C. 2. Closing date 23rd August.

PROSPECTOR required by **SIERRA LEONE GOVERNMENT** Geological Survey Dept., for two tours of 18/24 months in first instance. Salary scale (including expatriation pay) £966 rising to £1,528 a year. Commencing salary according to age and experience. Gratuity 15 per cent of total salary drawn. Outfit allowance £60. Free passages for officer, wife, and three children up to age 18. Children's allowances £48/£144 a year or grant up to £288 annually for children's maintenance in U.K. Liberal leave on full salary. Candidates, between 25 and 45 years, must be experienced prospectors, preferably with previous tropical service. Write to the Crown Agents, 4 Millbank, London, S.W. 1. State age, name in block letters, full qualifications and experience, and quote M3C/44526/GV.

GOVERNMENT OF BRITISH GUIANA

Chemist/Petrologist, Geological Survey Department

Qualifications.—An Honours degree in geology with at least 3 years' post graduate experience as a chemist and/or petrologist.

Duties.—To reorganize the Geological Survey mineralogical, petrological and chemical laboratory on modern efficient lines and to advise on the new equipment needed; to set up an organization capable of ensuring that the results of chemical, mineralogical and petrological work carried out in the laboratory are accurate and up to modern standards; and to provide for the training of junior staff in up-to-date methods of chemistry and mineralogy.

Terms of Appointment.—On contract/gratuity terms for two years. Applications would, however, be considered from suitably qualified university lecturers willing to serve for one year during sabbatical leave. Salary £1,500 per annum. Free passages. Furnished quarters provided at rental. Free medical treatment for officer only. Generous leave. Taxation at local rates.

Apply to Director of Recruitment, Colonial Office, London, S.W. 1. State age, qualifications and experience. Quote BCD 105/30/08/H5.
