

Nationalities Papers Photo Contest

The annual photo contest rewards scholars for the best photos from their fieldwork. These photos are judged in terms of their content, synthesis, and visually compelling insights about nationalism, ethnicity, or migration. The photo submissions should be accompanied by a brief description (300-500 words) of how the photo relates to the fieldwork of the applicant in particular and nationalism, ethnicity or migration in general. This is the first year of the photo contest!

The contest is judged by a jury comprised of leading scholars from the editorial board of the journal. The membership of the jury changes every year, and is led by the editor-in-chief and supported by the managing editor. The 6 prize-winning photographs will be featured on the cover of *Nationalities Papers*. The photographer will be acknowledged in *Nationalities Papers*.

On the Cover. The most picturesque port of the Near East, Salonika, with its beautiful harbor conglomerate mass of Nationalities is the center of all transport to the Southern half of the Balkans. This shows a part of the waterfront jammed with small coastwise trading vessels. They trade with the thousands of Islands in the Aegean Sea and Smyrna. Many of the American Red Cross supplies are carried on these vessels to the Refugees on the Islands.
