Memoirs of The Paleontological Society are made up of occasional publications consisting of monographs and symposia that are too long for publication in the JOURNAL OF PALEONTOLOGY. Initially, memoirs will be distributed as a supplement to a regular issue of the JOURNAL. Inquiries concerning submittal of manuscripts to be considered for publication in this series should be made to the editor well in advance of proposed submittal date. Inquirers should read the inside-back cover for instructions on preparation of manuscripts and on publication charges.

Communications about the cost and availability of back numbers should be addressed to the Society of Economic Paleontologists and Mineralogists, P.O. Box 979, Tulsa, Oklahoma 74101.
