Manuscripts

The China Quarterly welcomes the submission of manuscripts from all scholars, including research students, on all aspects of contemporary China and from all points of view, including those which deal with Taiwan and Overseas Chinese. Articles on China prior to 1949 are also welcome, particularly, but not exclusively, when these relate directly to contemporary China or to the history of the Chinese Communist Party. Articles should be submitted, in triplicate, to the editorial office. They should be typed in double spacing and, preferably, conform to the styling of *The China Quarterly*.

The China Quarterly is published by the Contemporary China Institute of the School of Oriental and African Studies, London University. The views expressed in articles are those of individual authors and do not necessarily represent the views of the Contemporary China Institute.

M. E. SHARPE PAPERBACKS

SCRATCHES ON OUR MINDS American Views of China and India (Previously reprinted as *Images of Asia*)

By *Harold Isaacs*

With a new preface by the author

"... Mr. Isaacs, skillfully combining research with journalism, has produced a continuously fascinating study... an exceptionally valuable attempt to detect the inner workings of American minds when invited to convey their images of the Chinese and Indian peoples.... This book is a gold mine of material in which precious nuggets will be found by political scientists and psychologists, by economists and philosophers, and by any thoughtful citizen who wants to get to the roots which have nurtured our policy in Asia."—*The New Republic*

452 pages \$7.95

CHINA AND THE THREE WORLDS A Foreign Policy Reader

Edited with an introduction by King C. Chen

"... a foreign policy reader which will surely prove most useful for classroom work... a comprehensive tour d'horizon of the conceptual, ideological and power-political positions of China on the international scene."—*The China Quarterly*

400 pages \$8.95

LAND AND LABOR IN CHINA

By *R. H. Tawney*

"... an outstanding tour de force... likely to retain its value for a long time... From this book, as from no other known to me, it is possible to learn why a peasant revolution might give the Communists their opportunity, not why all these things had to happen..."—*from the introduction by Barrington Moore, Jr.*

216 pages \$5.95

CHINA'S FINANCE AND TRADE A Policy Reader

*Edited with commentaries by
Gordon Bennett*

"... a useful book of readings about the politics of Chinese economic policy in the sphere of finance and trade... Readers interested in the Chinese view of finance and trade might find a starting point in this collection of readings."—*The Economic Journal*
