NEWSLETTERS

The Eighth International Economic History Congress (Budapest, 1982) will feature an open forum on "Famine in History." The organizers of the forum, Professors Jean-François Bergier and Michael Drake, have begun publication of an occasional newsletter on the subject in preparation for the congress. Persons wishing to receive the newsletter (gratis) and/or to participate in the forum should address Professor Drake, The Open University, Walton Hall, Milton Keynes MK14 5DZ, England.

Persons wishing to receive (gratis) the newsletter of the International Economic History Association should apply to Professor Herman Van der Wee, Centrum voor Economische Studien, Universiteit Leuven, Van Evenstraat 2b, B-3000, Leuven, Belgium.

CONFERENCES

The Regional Economic History Research Center, Eleutherian Mills-Hagley Foundation, will sponsor a conference on Agriculture in Europe and America on October 31, 1980 at 1:45 p.m. Papers will be presented by Andrew B. Appleby, Richard L. Bushman, and Joyce O. Appleby. Diane Lindstrom will comment on the papers. For further information contact William H. Mulligan, Jr., Eleutherian Mills-Hagley Foundation, P.O. Box 3630, Wilmington, DE 19807.

AGRICULTURAL HISTORY SOCIETY SYMPOSIUM

The annual symposium of the Agricultural History Society will be held June 24-26, 1981, at the University of California at Davis. The conference theme is The History of Agricultural Trade and Marketing. The list of potential topics includes: the trading of agricultural products, futures markets and trading companies; the processing and packaging of agricultural goods; the wholesaling and retailing of agricultural goods; the transport and storage industry; the financing of agricultural trade; agricultural coops; international trade in agricultural products and the development of international markets; marketing as a political issue; government policy, both domestic and foreign; advertising and product development; inspection and grading; the influence of marketing practices on farm labor relations; the direct marketing of agricultural products; and the influence of changing marketing practices on farm production and structure. The list is intended as suggestive, and papers on related issues will be given full consideration. Individuals interested in presenting papers should send a one-page abstract by January 15, 1981, to Alan L. Olmstead, Director, Agricultural History Center, University of California, Davis, CA 95616.

EIGHTH INTERNATIONAL CONGRESS OF ECONOMIC HISTORY
