These *Archaeological Reports* are published by the Hellenic Society and the British School at Athens for their subscribers. They are also offered for sale to the public (obtainable from The Editor (Reports), Hellenic Society, 31-34 Gordon Square, W.C.1) at the price of 12/6, postage paid. 'Archaeology in Greece' is an annual feature, and the occasional reports on work in other parts of the Greek world include Central Italy and Etruria (this year), Cyprus, Asia Minor, South Italy and Sicily, the Black Sea, etc. In addition there are regular bulletins illustrating new acquisitions by museums in Great Britain.

The picture on the cover is of a small bronze eagle on a lotus flower of late Classical style, from Dodona. See p. 13.
